# About Us

## HISTORY:

SITJEE CLASSES is a premier organization established in 2014 and conceived with a pioneering vision to meet all the needs of professional course aspirants under one roof. This institute is headed by faculty from KOTA, Rajasthan.

## MISSION:

Our objective is to provide equal opportunities to middle class students, aspirants for competitive examinations and enhance development of our students through quality teaching by adopting changes introduced in the field of Engineering & Medical Entrance Examination and mould our teaching methods accordingly.

## VISION:

To revolutionize education by bringing quality and competitive education to every child.  
To ensure that the NEET/ IIT aspirants at high school levels develop academic skills and emotional strengths.  
To share our experience and expertise to strengthen schools / institutes and teachers for educational revolution.  
To make learning a delightful experience by blending technology with education.

## TEACHING METHODOLOGY:

All students, regardless of their level, can benefit from improved study technique. Keeping in mind the need of aspirants, SITJEE CLASSES facilitates them with the following methods.  
Classroom Learning Program.  
Distance Learning Program.  
Satellite Learning Program.  
Online Learning Program.  
Itab.
